By Doris Kearns Goodwin

Theodore Roosevelt was one of the most consequential presidents in American history. He led the country through a period of great change and upheaval, and his legacy continues to shape American politics today. In her Pulitzer Prize-winning biography, *Bully Pulpit*, Doris Kearns Goodwin provides a fascinating and inspiring account of Roosevelt's life and times.

Goodwin's book is based on extensive research, including interviews with Roosevelt's family and friends. She provides a vivid and engaging account of Roosevelt's personal life, his political career, and his profound impact on American history.

Roosevelt was born into a wealthy family in New York City in 1858. He was a sickly child, but he overcame his physical challenges to become a successful athlete and writer. Roosevelt entered politics in the 1880s, and he quickly rose through the ranks of the Republican Party. He served as governor of New York from 1899 to 1901, and he was elected president in 1901.

Roosevelt's presidency was marked by a series of progressive reforms. He broke up trusts, regulated railroads, and created national parks. He also

played a major role in the construction of the Panama Canal. Roosevelt was a strong advocate for conservation, and he helped to establish the National Forest Service and the National Park Service.

Roosevelt was a complex and controversial figure. He was a charismatic leader, but he could also be impulsive and reckless. He was a strong believer in American exceptionalism, and he often used his bully pulpit to promote his agenda. But he was also a compassionate man, and he cared deeply about the welfare of the American people.

Bully Pulpit is a masterful biography of one of America's most iconic presidents. Goodwin's book is a must-read for anyone interested in American history, politics, or biography.

Reviews

"A brilliant and deeply moving portrait of Theodore Roosevelt." — *The New York Times*
