Bridging the Divide

In these dangerously divided times, it's more important than ever to be able to have fearless conversations. This book will show you how to do just that, whether you're talking to your family, your friends, or strangers.

Author Celeste Headlee is a Peabody Award-winning journalist and former host of the NPR show *On Point*. She has spent her career facilitating difficult conversations, and she knows that it's possible to have productive discussions even with people who have very different views than you.

In *How To Have Fearlessly Curious Conversations*, Headlee shares her secrets for having conversations that are both respectful and productive. She explains how to:

- Ask open-ended questions
- Listen actively
- Emphasize common ground
- Avoid interrupting
- Stay calm and respectful

Headlee also provides tips for having conversations about difficult topics, such as race, religion, and politics. She explains how to approach these conversations with curiosity and empathy, and how to avoid getting defensive or argumentative.

How To Have Fearlessly Curious Conversations is an essential guide for anyone who wants to have more meaningful and productive conversations. It's a must-read for anyone who wants to bridge the divide in our society.
