The Seeds of Grace

John Newton was born in London, England, in 1725. His early life was marked by tragedy and setbacks. His father abandoned the family, and his mother passed away when Newton was only seven years old. As a teenager, he rebelled against his strict stepfather and ran away to sea.

Newton's years as a sailor were filled with turmoil and danger. He became involved in a slave trading expedition, an experience that would haunt him for the rest of his life. After a shipwreck in 1748, he returned home profoundly changed.

Conversion and Calling

In the aftermath of the shipwreck, Newton underwent a spiritual awakening. He encountered the writings of the evangelist George Whitefield, and the message of God's grace resonated deeply within him. Convinced that he

was called to serve the Lord, Newton abandoned his maritime career and entered the ministry.

In 1755, Newton was ordained as an Anglican priest and became the rector of Olney, Buckinghamshire. He established himself as a dedicated pastor, caring for his parishioners and sharing the gospel with passion.

A Legacy of Grace

John Newton's legacy extended far beyond the hymn he wrote. He became a prominent abolitionist, using his influence to fight against the evils of slavery. He also established a school for poor children and dedicated his life to spreading the gospel.
