The B-24 Liberator was a four-engine heavy bomber that was used by the United States Army Air Forces during World War II. The B-24 was one of the most important aircraft in the war, and it played a major role in the Allied victory. The young men who flew the B-24s were some of the bravest and most skilled airmen in the world. They faced incredible danger every time they flew a mission, and many of them made the ultimate sacrifice.

The Men and Boys Who Flew the 24s Over Germany 1944-1945 is a moving and inspiring story. It is a tribute to the young men who fought and died for their country. The book is a must-read for anyone who wants to learn more about World War II and the sacrifices that were made by the Greatest Generation.
