

The New York City Triangle Factory Fire: Images of America

On March 25, 1911, a devastating fire broke out at the Triangle Shirtwaist Factory in New York City, killing 146 workers, mostly young immigrant women. The fire was one of the deadliest industrial disasters in American history, and it led to widespread outrage and demands for improved fire safety regulations.

This book presents a collection of powerful images that document the tragedy and its aftermath. The images include photographs of the factory before and after the fire, as well as portraits of the victims and their families. The book also includes transcripts of interviews with survivors and eyewitnesses, and essays by historians and experts on the fire.

The Triangle Factory Fire was a turning point in American history. It led to the passage of new fire safety laws and regulations, and it helped to raise

awareness of the plight of working women. The images in this book offer a powerful reminder of the tragedy that occurred on that fateful day in 1911, and they continue to inspire us to fight for worker safety and justice.
